- I never attended section but this TA knew how to run a test room efficiently and well. He always made sure that everyone started on time and made it clear what the expectations were.
- I really liked this TA. I tried several to see who would help me the most and fit with my schedule. When I came to his office hours, we were able to ask any questions we wanted and he provided lengthy explanations and examples. He was fair and respectful, allowing everyone to ask questions.
