9. Do you have any other comments to add to your evaluation?
Please keep your comments constructive and professional, abiding by the Principles of Community

- Found limited value in attending section personally, but TA was very prepared and taught material on topic.

- Great TA!

- He is very nice and cool.

- I found sections to be very helpful mainly due to Nicholas's explanations of the course material. He knows the material very well and can explain it in a way that is very understandable. He also keeps everyone engaged throughout the section. I would definitely love to have him again as a TA.

- I never met this IA in person because I was in a different section, but I appreciate their prolific contributions to the class Piazza! Thank you.

- Not applicable

- Pace wasn't the best. Rarely was the class able to go through the entire handout.
